Dear Friends:

On behalf of the American Committee, we wish to express our appreciation and gratitude for your support of our Committee's work.

We are now engaged in a legislative campaign to alleviate the great hardships suffered by foreign born who are under attack by the Walter McCarran Act.

On May 9th of this year, Sen. Wayne Morse, Oregon, introduced two bills, the second one, S. 1501, with the co-sponsorship of Sen. Philip A. Hart, of Michigan, which if enacted would prevent the deportation of long-time residents of this country for any reason, after these foreign born have entered this country for permanent residence and have lived here for ten consecutive years.

We must now conduct an intensive publicity and educational campaign to acquaint Americans of these two "statute of limitations" bills, S. 1500 and 1501. May we suggest that ~~institutions and as members of organizations~~ you send a letter of appreciation to Senator Morse and Sen. Hart (Senate Office Building, Washington, D. C.). Also please write a letter to your Congressman to introduce similar bills in the House of Representatives. It would also be very effective if the Organization to which you may belong would also send a letter to Senator Wayne Morse.

Thank you for your continued support on behalf of the rights of the Foreign-Born.

Let Congress enact a Statute of Limitations on deportations and denaturalization
